### General data

|                     |                                                   |
|---------------------|---------------------------------------------------|
| Location            | Poland                                            |
| region              | Dolnośląskie                                      |
| Year of manufacture | 1999                                              |
| Warranty            | Without warranty                                  |
| Technical condition | Very good                                         |
| Payment             | Before receipt                                    |
| Transport           | The buyer organizes the transport at his own cost |

### Technical parameters

|                                              |            |
|----------------------------------------------|------------|
| Number of CNC controlled axles               | 3 pcs      |
| Number of tools in the magazine              | 24 pcs     |
| Minimum rotary speed of the vertical spindle | 20 1/min   |
| Maximum rotary speed of the vertical spindle | 8000 1/min |
| Travel length X-axis (mechanical feed)       | 1003 mm    |
| Travel length Y-axis (mechanical feed)       | 603 mm     |
| Travel length Z-axis (mechanical feed)       | 603 mm     |
