### General data

|                     |                  |
|---------------------|------------------|
| Location            | Netherlands      |
| region              | Gelderland       |
| Year of manufacture | 2003             |
| Warranty            | Without warranty |

### Technical parameters

|                                           |         |
|-------------------------------------------|---------|
| Maximum drilling diameter in steel        | 50 mm   |
| Maximum drilling diameter in light metals | 60 mm   |
| Maximum boring diameter                   | 55 mm   |
| Maximum spindle travel                    | 1600 mm |
| Power of the spindle drive                | 6 kW    |
